

FusionMaster Ice Shaver

Please take the necessary safety precautions when using the FusionMaster Ice Shaver. Warning, keep fingers away from the blades as they are extremely sharp. Always hold the Ice Shaver Cone by the edge when assembling and disassembling (See fig. A). Always keep out of the reach of children. Always make sure the Ice Shaver Cone is securely assembled into the hopper. Always use the plunger provided to push the ice cubes down (See fig. B). Use the Ice Shaver Cone only to shave regular and flavored ice cubes. Always cover the Ice Shaver Cone with the protective packaging when storing or when not in use (See fig. C).
